

Project Demo Planning

Date	30 September 2026	Team ID	6ab22029e880316a482c5f2a
Project Name	EduGenie – AI-Powered Educational Assistant	GitHub	https://github.com/theopintheo/EduGenie
Team Members	Theopin B, Antony Ragul A, Saravanan S, Karthick M	Status	Completed / working implementation

No.	Section	Description	Duration	Responsible
1	Introduction & Problem	Explain fragmented study workflows and objective.	1 min	Theopin B
2	Solution Overview	Show architecture, stack and five workflows.	1 min	Saravanan S
3	Q&A + Explanation	Demonstrate question answering and simple explanation.	2 min	Theopin B / Antony Ragul A
4	Summary + Quiz	Summarize notes, generate quiz and check answer.	2 min	Antony Ragul A
5	Learning Path	Generate beginner-to-advanced recommendation.	1 min	Theopin B
6	Technical Q&A	Discuss API, AI integration, validation and roadmap.	2 min	Saravanan S / Karthick M

Demo Flow Summary

Step	Activity	Notes
1	Introduction	Problem → target user → objective.
2	Solution	Architecture and technology.
3	Live Features	Demonstrate five workflows.
4	Q&A	Implementation decisions, limitations and future work.
