

Team Involvement in Demonstration

Date	30 September 2026	Team ID	6ab22029e880316a482c5f2a
Project Name	EduGenie – AI-Powered Educational Assistant	GitHub	https://github.com/theopintheo/EduGenie
Team Members	Theopin B, Antony Ragul A, Saravanan S, Karthick M	Status	Completed / working implementation

No.	Member	Role	Section	Contribution	Participation
1	Theopin B	Presenter / technical contributor	Problem, AI architecture, live workflows	AI/model architecture, integration, functional testing, final review	Active
2	Antony Ragul A	Presenter / technical contributor	UI/UX and quiz interaction	Frontend UI, responsive styling, quiz interaction, UX review	Active
3	Saravanan S	Presenter / technical contributor	Backend/API and validation	FastAPI backend, REST APIs, validation, API documentation	Active
4	Karthick M	Presenter / technical contributor	Setup/testing/deployment	Environment setup, run/deployment verification, smoke testing	Active

Team Coordination Notes

Aspect	Details
Coordinator / Lead	Theopin B
Coordination	Shared integration and review across modules.
Demo risk handling	Pre-test UI/API and keep demo fallback available.
Issue resolution	Assign to module owner and verify with smoke test.
